**Note:** The shortlisted bidders from the RFP 42 tendering process, who submitted the lowest and second-lowest financial bids, compliant in line with RAK Municipality's terms and conditions, have been empanelled. The agreed prices and terms may serve as a reference baseline for RAK consumers during project planning. Consumers may choose to modify these terms and conditions based on their preferences. The empanelled contractors are recommended by RAK Municipality, but there is no obligation for consumers to engage them. Consumers are free to work with any contractor, provided they comply with EtihadWE regulations. Please reach out to eer@mun.rak.ae for any clarifications.
